Subject: E-Waste for Smart Study Bench

I hope this letter finds you well. I am writing to propose an enhancement to our College infrastructure that I believe will significantly benefit our students and contribute to our educational environment: the introduction of smart benches.

Smart benches are innovative outdoor furniture pieces equipped with various technological features such as Wi-Fi connectivity, and integrated lighting. These benches offer several advantages that align with our school's mission to foster a modern and engaging learning environment.

Following are the required component

- Touchscreen Panel
- Processor
- Capacitive or resistive touchscreen
- Mother Board
- SMPS
- Wi-Fi Module
- Speakers
- LED lights
- Heat sinks or fans
- Cameras/Sensors
- Power chords
- VGA Cables
- RAM
- HDD
- SATA Cables
- Power Extension
- Processor Fan

Yours Faithfully,
